### MINOX MD 7x42 C

A new high-tech pioneer on land, water and in the air

For all adventurers and discoverers, travelers and nature enthusiasts MINOX is presenting yet another essential companion for every outdoor activity: the monocular MINOX MD 7x42 C with integrated compass. Boasting a field of view of 114 m at 1.000 m, 7x magnification and a precision compass this new MINOX MD 7x42 C is going to be the perfect constant companion for all those who enjoy outdoor life and water sports.

Besides its high optical performance the MINOX Monocular features an integrated compass as well as a fine reticle that are used to determine the range or size of objects in view. These technical features make the MINOX MD 7x42 C a reliable navigator for both lovers of water sports and outdoor enthusiasts who like to venture into unexplored terrain.

The MINOX MD 7x42 C is particularly robust and watertight up to a depth of 5 m. Featuring extremely compact dimensions of 65 x 61 x 142 mm (H x W x D) and a low weight of just 370 g, the new MINOX MD 7x42 C has an exceptionally good grip and is easy to

use. The very practical single-handed operation further enhances the comfortable and reliable handling. Its sturdy metal body also excellently protects the brilliant optics against external influences.

The scope of delivery of the new MINOX MD 7x42 C includes a practical wrist strap and soft case and is available from specialist dealers.
